Publishing the Doctorate Thesis, mentioned below, prior to the filing of the Application: 10/139,544 may constitute the public use described under 35 U.S.C. 102(b).

In the Response document dated 8/8/2005, Applicant submitted a non-patent literature document, which is the article "Kaleidoscope - The Web as the World", dated November 7, 1999 (the date that the article available to the public?)

Please provide the date of publication, date available to the public, and any confidentiality agreements with outside individuals and/or organizations appropriate to use the document, and any parts of the document that is posted or provided to the public.

The fee and certification requirements of 37 C.F.R. § 1.97 are waived for those documents submitted in reply to this requirement. This waiver extends only to those documents submitted in reply to this requirement. This waiver extends only to those documents within the scope of this requirement under 37 C.F.R. § 1.105 that are included in the Applicant's first complete communication responding to this requirement. Any supplemental replies subsequent to the first communication responding to this requirement and any information disclosures beyond the scope of this requirement under 37 C.F.R. § 1.97.

The applicant is reminded that the reply to this requirement must be made with candor and good faith under 37 C.F.R. 1.56. Where the Applicant does not have or cannot readily obtain an item of required information, a statement that the item is unknown or cannot be readily obtained will be accepted as a complete response to the requirement for that item.

This requirement is subject to the provisions of 37 C.F.R. § 1.134, 1.135, and 1.136, and has a shortened statutory period of ONE (1) MONTH. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 C.F.R. 1.136(a).
